

PROPOSED CHARTER

- To discuss challenges and opportunities of "IoT" for the RIPE community
- To serve as a focal point for the RIPE NCC regarding community input to their IoT activities, including liaisons with other organisations
- To invite IoT communities for a dialogue on matters of operational relevance, including security, the numbering system, and applicability of standards
- To develop positions of the RIPE community on IoT matters

Next Steps

- Jim Reid volunteered to be initial co-chair
- If WG is created today, `iot-discussion@ripe.net` will become `iot-wg@ripe.net`
- Mailing list discussion to get consensus on co-chair selection procedure
 - Perhaps define scope/role for co-chairs?
 - Call for volunteers/stuckees
- Discussion on the list about WG's "work items"
